CV

Curriculum Vitae

Degree

Year

Institution | University

phd
Interdisciplinary
Ecology

2015 – present

Dept. of Wildlife Ecology and Conservation
School of Natural Resources and Environment
University of Florida, USA

ms
Wildlife Biology
& Conservation

2010 – 2012

National Centre for Biological Sciences
Tata Institute of Fundamental Research
Bengaluru, India

bs
Chemistry.
Botany. Zoology

2006 – 2009

Christ University
Bengaluru, India

academic **PROFILE**

● Carnivore Ecology and Conservation

● Ecological Modeling

● Human–Wildlife Interactions

● Population Ecology and Dynamics

● Science Communication

research **INTERESTS**

professional APPOINTMENTS

- aug '15 – present** **Graduate Assistant** Department of Wildlife Ecology and Conservation, School of Natural Resources and Environment, University of Florida
- jul '13 – present** **Research Associate** Wildlife Conservation Society – India
- dec '12 – jun '13** **Junior Research Fellow** Centre for Wildlife Studies, Wildlife Conservation Society – India
- may – jun '11** **Field Intern** Centre for Wildlife Studies
- aug '09** **Research Assistant** project 'Examining Tourism, Wildlife Reserves and Livelihoods in India'

research PROJECTS

- may '19 – present** **Principal Investigator** Ecological assessment and monitoring populations of the endangered Asiatic wild dog or 'dhole' *Cuon alpinus* in Kerala, India
- sep '18 – present** **Principal Investigator** Wild Canids–India Project (www.wildcanids.net)
- nov '15 – mar '16** **Collaborator** Examining large carnivore occurrence, conflict and socio-cultural tolerance in central India
- dec '11 – jun '12** **Principal Investigator** Habitat occupancy of Asiatic wild dogs in the Bandipur Tiger Reserve landscape (MS dissertation)
- jan – feb '10** **Defries-Bajpai fellow** Forest degradation in Kanha Tiger Reserve, India

teaching EXPERIENCE

- dec '16** **Workshop Instructor** Science Communication for Graduate Students. University of Florida
- jan – feb '15** **Teaching Assistant** Conservation Ecology and Practice. MS Wildlife Biology and Conservation (WCS–NCBS)
- nov '13** **Workshop Instructor** Monitoring Tigers and Prey: field and analytical techniques for scientists and managers from India, Russia and Southeast Asia. Wildlife Conservation Society–India
- apr – may '13** **Teaching Assistant**– Population Ecology, Dynamics, and Estimation. MS Wildlife Biology and Conservation (WCS–NCBS)
- may '09** **Facilitator** Conservation Leadership Workshop, Tiger Watch, Rajasthan, India

volunteer **EXPERIENCE**

- may '10** Line transect surveys to estimate densities of wild ungulate populations Nagarhole National Park, India (Centre for Wildlife Studies)
- dec '09** Population surveys of the critically endangered Gharial *Gavialis gangeticus* National Chambal Sanctuary, Rajasthan, India (Tiger Watch)
- jun – sep '09** Examining Tourism, Wildlife Reserves and Livelihoods across six protected reserves in India
- apr – may '09** Habitat occupancy surveys of wild ungulate populations Kudremukh National park, India (Centre for Wildlife Studies)
- may '08** King Cobra Telemetry Project
Agumbe Rainforest Research Station (ARRS), Karnataka, India

scientific **PUBLICATIONS**

- 21** peer-reviewed publications*
- 260** citations
- 2** manuscripts in review
- 10** h-index
- 8** manuscripts in preparation
- 10** i10-index

Google Scholar [Profile WebLink](#)

* Full list of publications included as Appendix.

affiliations • **SERVICE**

- member** Society for Conservation Biology (student member)
IUCN SSC Canid Specialist Group (2017–present)
IUCN Dhole Working Group (2015–present)
University of Florida Wildlife Graduate Student Association (2015–present)
Researchers for Wildlife Conservation (2012–present)
- officer** Wildlife Graduate Student Association, University of Florida (Aug '16–Apr '17)
- assessor** IUCN RedList Status Assessment for Dhole *Cuon alpinus*; 2015. The IUCN Red List of Threatened Species 2015: e.T5953A72477893.
- reviewer** Conservation Biology, Biological Conservation, Royal Society Open Science, Oryx, PLoS One, Journal of Mammalogy, Wildlife Biology, Biological Invasions, Tropical Conservation Science, Mammalian Biology, International Journal of Primatology, Journal of Threatened Taxa

popular **ARTICLES**

7 International media **12** National media **2** Regional media

Full list of publications included as Appendix.

conferences • **SYMPOSIA**

- 2019** Association for Tropical Biology and Conservation– Antananarivo, Madagascar.
- 2018** Wildlife Conservation Network Expo– San Francisco, USA.⁺
Conservation Asia SCB Asia Chapter Conference– Bishkek, Kyrgyzstan.
Association for Tropical Biology and Conservation– Kuching, Malaysia.
- 2017** International Congress for Conservation Biology– Cartagena, Colombia.
International Mammalogical Congress– Perth, Australia.
School of Natural Resources and Environment Symposium, University of Florida, USA
- 2016** Ecological Society of America Conference– Ft. Lauderdale, Florida USA.
North American Congress for Conservation Biology– Madison-Wisconsin, USA.
Conservation Asia (SCB-ATBC) Conference– Singapore.
- 2015** Student Conference on Conservation Science– Cambridge, UK.*[§]
- 2014** Society for Conservation Biology, Asia Conference– Melaka, Malaysia.
- 2013** Student Conference on Conservation Science– Beijing, China.
Student Conference on Conservation Science– Bengaluru, India.
- 2012** Society for Conservation Biology, Asia Conference– Bengaluru, India.
Student Conference on Conservation Science– Bengaluru, India.*[§]
- 2009** University Grants Commission Seminar on Biodiversity Conservation: Opportunities & Challenges– Bengaluru, India.

*poster +invited talk §awarded prize

science • **SOCIETY**

- nov '16** Poster presentation at event 'Suds and Science', Gainesville, Florida. Title: Fantastic Beasts and How to Save Them: Conserving leopards in human-use landscapes of India
- dec '14** Public talk at Friends of Elephants event 'Art and Elephants', Bengaluru. Title: Elephant in the Room: Communicating Science and Conservation of Asian Elephants through Art
- mar '14** Lead Facilitator for workshop on "Using art and humor to communicate science".
Collaborator: Educator's Collective
- dec '13** 350.org Udaan- Global Power Shift meet, Bengaluru. Title: Using Art and 'Art'ivism to communicate science and conservation issues

art • **AWARENESS**

- oct '18 – present** Web content creator and curator. Wild Canids–India Project
- jan '16 – present** Illustrator. The Florida Master Naturalist Program (UF-IFAS) newsletters
- jun '17** Illustrator. Content on human-leopard interactions for training/awareness workshops in Uttarakhand, India. Collaborator: Titli Foundation and WCS-India
- may '16** Illustrator. Awareness material to prevent human-tiger conflict in central India. Collaborator: Last Wilderness Foundation, India
- dec '15** Contributing Artist. Art for Hornbills: a fundraiser event for the Hornbill Nest Adoption Program. Collaborator: Nature Conservation Foundation, India
- nov '15** Illustrator. Children's book 'Our Tigers Return: The Story of Panna Tiger Reserve'. Publisher: Last Wilderness Foundation, India
- jan '15** Designed outreach material for sustainable harvest and conservation of squaretail grouper fish in Lakshadweep archipelago, India. Collaborator: Nature Conservation Foundation, India
- jan '14 – oct '14** Communication and outreach head, social media manager. Wildlife Conservation Society – India
- jan '14** Created Pocket Science india: PSi – an initiative to communicate wildlife science through art, for promoting conservation awareness. In collaboration with conservation organizations, these artworks have been translated into regional languages, used for fund-raising, nature education in villages around forests and in Forest Department visitor information centres.
- dec '13** Illustrator. Panels on Hornbill Conservation, on display at the Forest Department Nature Interpretation Centre, Pakke Tiger Reserve (India). Collaborator: Nature Conservation Foundation, India
- oct '13** Illustrator. 'Falcon Files', part of the Amur Falcon Conservation Initiative. Collaborator: Nagaland Wildlife and Biodiversity Conservation Trust, India
- sep '09** Chief Illustrator. 'Under the Canopy', published by Dusty-foot productions and funded by the IUCN.

media **FEATURES**

- 2014 – 2019** Centre for Internet and Society, Prajavaani (Kannada newspaper), The Better India, Tehelka Magazine, The New Indian Express, Deccan Herald, Mid-day, LiveMint, Club SciWri, Down To Earth, Mongabay India, BBC Wildlife, Nature India

scientific PUBLICATIONS

- 2019**
- Puri, M., **Srivathsa, A.**, Karanth, K.K., Patel, I., Kumar, N.S. (in press; *Ecological Indicators*) The balancing act: Maintaining leopard–wild prey equilibrium could offer economic benefits to people in a shared forest landscape of central India.
 - Singh, P., **Srivathsa, A.**, Macdonald, D.W., (2019) Conservation status of the dhole *Cuon alpinus* in Northeast India, with a focus on Dampa Tiger Reserve, Mizoram. 1–5. doi: 10.1017/S0030605319000255.
 - **Srivathsa, A.**, Puri, M., Karanth, K.K., Patel, I., Kumar, N.S. (2019) Examining human–carnivore interactions using a socio-ecological framework: Sympatric wild canids in India as a case study. *Royal Society Open Science*, 6: 182008.
 - Majgaonkar, I., Vaidyanathan, V., **Srivathsa, A.**, Shivakumar, S., Limaye, S., Athreya, V. (2019) Land-sharing potential of large carnivores in human-modified landscapes of western India. *Conservation Science and Practice* 1(5): e34.
 - **Srivathsa, A.**, Karanth, K.U., Kumar, N.S., Oli, M.K. (2019) Insights from distribution dynamics inform strategies to conserve a dhole *Cuon alpinus* metapopulation in India. *Scientific Reports* 9(3081): 1–12.
 - **Srivathsa, A.**, Tietje, W., Rolland, V., Polyakov, A., Oli, M.K. (2019) Climatic drivers of pinyon mouse *Peromyscus truei* population dynamics in a resource-restricted environment. *Population Ecology* 61: 122–131.
- 2018**
- **Srivathsa, A.**, Puri, M., Kumar, N.S., Jathanna, D., Karanth, K.U. (2018) Substituting space for time: Empirical evaluation of spatial replication as a surrogate for temporal replication in occupancy modelling. *Journal of Applied Ecology* 55: 754–765.
- 2017**
- Panthi, S., Khanal, G., Acharya, K.P., Aryal, A., **Srivathsa, A.** (2017) Large anthropogenic impacts on a charismatic small carnivore: Insights from distribution surveys of red panda *Ailurus fulgens* in Nepal. *PLoS One* 12(7): e0180978.
 - Punjabi, G.A., Edgaonkar, A., **Srivathsa, A.**, Ashtaputre, S., Rao, M.K. (2017) Distribution of the dhole in its northern range limits in the Western Ghats, India. *Canid Biology & Conservation* 20(3): 7–13.
 - Dey, S., Delampady, M., Parameshwaran, R., Kumar, N.S., **Srivathsa, A.**, Karanth, K.U. (2017) Bayesian methods for estimating animal abundance at large spatial scales using data from multiple sources. *Journal of Agricultural, Biological and Environmental Statistics*. 22(2): 111–139.
 - Karanth, K.U., **Srivathsa, A.**, Vasudev, D., Puri, M., Parameshwaran, R., Kumar, N.S. (2017) Spatio-temporal interactions facilitate large carnivore sympatry across a resource gradient. *Proceedings of the Royal Society: B*. 284: 20161860.
 - **Srivathsa, A.**, Kumar, N.S., Karanth, K.U. (2017) Home-range size of the dhole *Cuon alpinus* estimated from camera-trap surveys. *Canid Biology and Conservation*. 20(1): 1–4.
- 2016**
- Karanth, K.K., Sankaraman, V., Dalvi, S., **Srivathsa, A.**, Parameshwaran, R., Sharma, S., Robbins, P., Chhatre, A. (2016) Producing diversity: Agroforests sustain avian richness and abundance in India's Western Ghats. *Frontiers in Ecology and Evolution*. 4:111.
 - Duangchantrasiri, S., Umponjan, M., Simcharoen, S., Pattanavibool, A., Chaiwattana, S., Maneerat, S., Kumar, N.S., Jathanna, D., **Srivathsa, A.**, Karanth, K.U. (2016) Dynamics of a low-density source population of tigers in Southeast Asia in the context of improved law enforcement. *Conservation Biology*. 30: 639–648.
- 2015**
- Athreya, V., **Srivathsa, A.**, Puri, M., Karanth, K.K., Kumar, N.S., Karanth, K.U. (2015) Spotted in the news: Using media reports to examine leopard distribution, depredation and management practices outside protected areas in southern India. *PLoS One* 10(11): e0142647.
 - **Srivathsa, A.**, Parameshwaran, R., Sharma, S., Karanth, K.U. (2015) Estimating population sizes of leopard cats in the Western Ghats using camera surveys. *Journal of Mammalogy* 96(4): 742–750.

scientific **PUBLICATIONS**

- 2015** • Puri, M., **Srivathsa, A.**, Karanth, K.K., Kumar, N.S., Karanth, K.U. (2015) Multiscale distribution models for conserving widespread species: The case of sloth bear *Melursus ursinus* in India. *Diversity and Distributions* 21, 1087–1100.
